EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims

2. Claims 1 and 12 are generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claims 10 and 21, directed to the species of Figure 5, are no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim.

In view of the above noted withdrawal of the restriction requirement as to the linked species, applicants are advised that if any claim(s) depending from or including all the limitations of the allowable generic linking claims be presented in a continuation or divisional application, such claims may be subject to statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 44 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

3. This application is in condition for allowance except for the presence of claims 23 and 24, drawn to an invention non-elected without traverse. Accordingly, claims 23 and 24 have been cancelled.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest at least a first pair of turning vanes in combination with the pair of upright deflecting surfaces, the vanes and surfaces being oriented and positioned within the apparatus as set forth specifically by independent claims 1 and 12.

Art Unit: 1724

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
